

Elisa Reader and Washer

UNIVERSAL BIOTECHNOLOGY PRIVATE LIMITED

One Stop, Infinity Choices...

Introduction

UBTECH offers advanced ELISA Reader and Microplate Washer systems designed to deliver precise, fast, and reliable immunoassay analysis. Built with cutting-edge optical and fluid control technology, our systems ensure accurate absorbance measurement and effective plate washing — supporting high-performance diagnostic and research laboratories.

Engineered for durability and ease of use, UBTECH ELISA systems enhance workflow efficiency while maintaining consistent and reproducible results.

Elisa Microplate Reader, 96/48-well Plate

Model : UELMR-200I

Automatic Elisa Plate Reader, 96 Wells Plate

Model : UELMR-96; UELMR-96I

**Elisa Microplate Reader,
96/48 Wells**

Model : UELMR-200

**Economical Elisa Microplate
Reader, 96/48 Wells**

Model : UELMR-200II

**Auto Elisa Microplate
Reader**

Model : UELMR-110

**Elisa Microplate Reader
96-well**

Model : UELMR-96; UELMR-96I

Elisa Microplate Washer

Model : UELMW-310; UELMW-320

**Elisa Microplate Washer
UEL MW-330**

Model : UELMW-330

**Elisa Microplate Reader,
96/384 Wells**

Model : UELMR-F200; UELMR-F200H

**Elisa Microplate Reader,
UELMR-384**

Model: UELMR-384
